

# Fiwi PRODUCTIONS

*Bringing you the best of Caribbean, Caribbean-American and African-American culture*

**"Jammin' in Jamaica with The Mystic Revelation of Rastafari"** is the only documentary that tells the story and show the performances of one of the most unique and captivating group of cultural drummers and musicians, from Kingston, Jamaica.

The group was founded by the master drummer, Count Ossie, and the great tenor saxophonist Cedric "Im" Brooks, out of the Rockfort/Wareika Hill community of East Kingston. With rare and never-been-seen-before footage (60 mns.)

See a community using its gift of music to help itself.  
See and hear the musicians and the music that inspired Don Drummond, Bob Marley,  
Jimmy Cliff and other musical greats.

\$10.95-each DVD or \$19.95 for both  
plus \$4.75 (in U.S.) \$7.75 (export) for shipping & handling  
Allow 7 days for delivery

"Good for every home, a must for every library"
